

## **So You Voted for George W. Bush...**

### **But did you know that...**

- Bush's proposed 2007 budget includes cuts of over \$3.47 BILLION dollars from education?
- Bush wants to sell off national forests and has proposed to privatize national parks?
- Since Bush has taken office, China challenges us as the upcoming world superpower?
- Since Bush has taken office that the United States is considered to be a second-rate economic power that is propped up only by its military?
- Bush has created a larger governmental debt that all the previous US administrations combined?
- Bush has personally pushed for an end of overtime for working Americans?
- Bush has also been successful in giving massive tax breaks to the rich at the expense of the middle class and the poor?
- Bush has so far spent more than half a trillion (that's \$500,000,000,000,000 ←fourteen zeros, in case you were wondering) on the war in Iraq?
- Bush's war policies have created a massive anti-American sentiment throughout the world?
- The men who got us into this war are directly tied to the companies that profit the most from it?
- Shortly after Hurricane Katrina made landfall that Bush repeatedly stated that no one could have known the levees were going to break—yet we now have video proving that he most certainly did know the break was imminent?
- New Orleans was nearly wiped off the face of the earth and since the devastation is being rebuilt into a rich-person's fantasy land, where poor neighborhoods are being entirely demolished?
- Bush is wiretapping your phone, reading your mail and monitoring the books you check out of the library...all without a warrant and without your knowledge?
- Bush's proposed 2007 budget includes cuts of \$8.66 MILLION dollars from social service programs?

If any of this comes as a surprise to you, maybe you should consider looking more deeply into who exactly George W. Bush really is and what he really stands for...visit the following site for more information:
